## PROJECTS

Apr/2019 - News for You [www.news-foryou.com](http://www.news-foryou.com)

- a compact, single page news aggregation React website displaying news articles updated live from the News API
- option to choose from the top headlines of over 50 countries or 30 sources
- live streaming news channels, fully responsive on all devices
- Api integration made with Axios

**Built with:** React, JavaScript & CSS

Feb/2019 - News for You2 <https://news-for-you.herokuapp.com>

- the full-stack version of News For You with user registration and authentication
- full stack CRUD functionality for saving user info and news articles in MongoDB
- Api integration made with Axios

**Built with:** React, JavaScript, Node.js, MongoDB, Mongoose, Express & CSS

Dec/2018 - Book Your Adventure <https://app-booking.herokuapp.com>

- a rental booking platform made in collaboration with another developer
- user registration and authentication, password encryption, protected routes
- built custom RESTful API in Node.js and Express providing endpoints for both routing and for post/put/delete CRUD functionality

**Built with:** React, JavaScript, MongoDB, Mongoose, Node.js, Express & CSS

Nov/2018 - Shell Game <http://shell-game.herokuapp.com>

- a fully responsive full-stack application made in React with CSS animations
- custom API routes built with Mongoose and Express to save player info in MongoDB

**Built with:** React, JavaScript, MongoDB, Mongoose, Node.js, Express & CSS

Oct/2018 - Exchange Rates <http://exrates.surge.sh>

- front-end React website displaying and converting all the world currencies
- the application gets the data from the Fixer API with Axios, having Euro as base currency

**Built with:** React, JavaScript, CSS

**Published coding challenges:**

Numbers in Strings - Edabit- [click-here](#)

## SKILLS

JavaScript  
HTML  
CSS  
REACT  
Jest  
Node.js  
Express  
Mongoose  
MongoDB

## LANGUAGES

English  
Romanian  
Hungarian

## EDUCATION

V-School, Salt Lake City  
Full Stack Web Development  
MERN stack  
10/2018 - 01/2019

Florida International University,  
Miami, FL  
College of Engineering and  
Computer Science  
Electrical Engineering  
07/2009 - 09/2012

University of Oradea, Romania  
Electrical Engineering & Project  
Management  
09/1998 - 08/2001

## EXPERIENCE

Mar/2012 - Apr/2017  
Seminole Gaming  
Supervisor Table Games

May/2003- Jul/2008  
Carnival Corporation  
Casino Supervisor
